

NEW CHALLENGE

Educational Challenge

22.05 - 28.05

Get ready to join our Educational Challenge! From May 22nd to May 28th, collect 5 educational points per day by learning about nutrition, exercise, stress management, and mindfulness. The more you learn, the better your chances of reaching the daily goal and earning diamonds for completing the educational circle.

This challenge isn't just about earning rewards; it's also about improving your knowledge on health and well-being. Sign up now and put your health knowledge to the test! With dedication and hard work, you'll be on your way to becoming a health and wellness expert in no time.
